

Hey Alex! 😊

---

My name is Mary. I live in Moscow, Russia. I'm so really happy to write you, because it's new for me. Just a few months ago, in the middle of - cold January, I've heard your song "Only One", and from that moment I started being your fan.

I want to wish you HAPPY BIRTHDAY!!!  
May all your wishes will come true! I want you to be happy, healthy and joyful! You're an important person in my life! You're amazing! Thank you for you! 😊

Also, I want to say THANK YOU for your music and welcome. It's so nice to meet people who are as kind as you with his fans.

I know you like cats, so I've added the pics of my cats, Vasily and Fufa.

Love,  
Mary
